NOT INDEPENDENT

Putting Planning Into Practice Pty Ltd may receive commissions from life insurance products. As such we are not able to refer to ourselves as 'independent', 'impartial' or 'unbiased.'

Documents we may provide to you

As part of our financial planning process you will receive various documents for each stage of your advice journey. We will provide these documents electronically to a nominated email address. You may also request documents be provided to you in hardcopy.

SOA's and ROA's

When we provide personal advice, ordinarily this will be recorded and provided in a Statement of Advice (SOA), known as a financial plan. The SOA contains a summary of your goals and the strategies and financial products we may recommend in order to help you achieve those goals. It also provides you with detailed information about product costs, associated fees and other benefits we and others may receive because of the advice we have provided.

If we provide you with further personal advice, it will be recorded in a Record of Advice (ROA). ROA's will be kept on record for seven years and you may request a copy of such records by contacting our office during that period.

PDS

If we recommend or arrange a financial product for you we will provide you with a Product Disclosure Statement (PDS) or Investor Directed Portfolio Service (IDPS) guide where relevant. These documents contain the key features of the recommended product such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Other Documents

If you enter into an Ongoing Service Agreement with your adviser for a period greater than 12 months, a Fee Disclosure Statement (FDS) will be issued to you. The FDS will contain information about the services you were entitled to, the services you have received and the fees you paid during the previous year. The FDS also includes information about the fees to be charged and services to be provided for the coming year and seeks your consent to renew our ongoing services.

If we charge our advice fees from either a superannuation or an investment account we will also seek your consent to deduct fees from that account.
